

Fletch goes back to his roots

20/11/08

STEVE Fletcher has been out and about again, this time back to his beloved Barnsley where he received a very friendly reception on his way to tackling the Barnsley 10Km Road Race.

Steve's training of late has been disrupted by some unforeseen problems which has hampered his schedule but he was still able to record a time of 65:47.

Well done Fletch - keep those legs running!
