

Good day for running duo

SUNDAY saw the lone ranger of Pocklington Runners at the Melmerby 10K. Brian Dobson came away with an excellent time of 53:55 in the hot and humid race conditions. Meanwhile juniors' star lady, Megan Morris, claimed yet another accolade winning her nine to ten-year-old category outright in the pre-race fun run. Congratulations to both.

Good luck to all the Pocklington Runners competing in The Edinburgh Marathon on Sunday.
