Barton on Humber Deep Dale Dash 10K

THE only Pocklington Runner to report a finishing time this weekend was Mr Mike Pullon who competed along with just over two hundred other like minded runners at the very first running of The Barton on Humber Deepdale dash.

The hilly course was tough in places but Mike had a great run despite still recovering from The Mablethorpe Marathon last month to record a time of 43:15 which gave him a top fifty place overall. Well done to Mike.
